OTHER NEWS:

--Mr. Gerald P. Barrett (Postmaster, City of Carbondale) will attend the next meeting of the Carbondale Historical Society in order to report on and answer questions about the proposed new Post Office for Carbondale. This meeting, which will be open to the general public, will take place on Thursday, January 6, 1982 at 7:30 P.M. The location of the meeting will be announced in the local papers during the first week of January.

--The restoration of 301 City Hall, under the direction of Russsell T. Powell, is proceeding on schedule. The Carbondale Historical Society expects to have the room completely restored by the end of January, at which time a photography exhibition, sponsored by THE METRO, will be mounted therein.

I can't think of any other CHS news to report at this time. I will be in Carbondale again this coming weekend (December 18-19), and again we will work on the restoration of 301 City Hall. If you have some time available in the afternoon on December 18, the 301 restoration team would be delighted to put a piece of sandpaper in your hand and point you to some areas of the walls in 301 that will require sanding. The restoration team will be in 301 from about 1 P.M. on.

Sincerely,

Robert

S. Robert Powell
